# About Us

---

Welcome to SHREENATHJI STEEL, where innovation meets craftsmanship in architectural hardware and furniture fittings. As the proud manufacturer behind the renowned brand ENDULUX, we stand as a beacon of endurance, durability, and luxury.

At SHREENATHJI STEEL, we are driven by a singular goal: to make our brand globally recognized for its unwavering commitment to excellence. With a passion for precision engineering and a dedication to quality, we craft each product with meticulous attention to detail, ensuring unparalleled performance and longevity. Our comprehensive range of architectural hardware and furniture fittings is designed to elevate every space, from residential sanctuaries to commercial marvels.

We specialize in products made from the finest materials, including Stainless Steel, stainless steel, and zinc. These materials are chosen for their superior strength, corrosion resistance, and aesthetic appeal, ensuring that every ENDULUX product is both beautiful and built to last. Our offerings include:

**Stainless Steel Products:** Lightweight, strong, and resistant to rust, ideal for modern and contemporary designs.

**Stainless Steel Products:** Durable, elegant, and perfect for both indoor and outdoor applications.

**Zinc Products:** Versatile, corrosion-resistant, and offering a unique finish that enhances any design.

Our manufacturing capacity of 500 tons per year enables us to meet large-scale demands while maintaining the highest standards of quality. This capability positions us to serve a global market, bringing the luxury and reliability of ENDULUX to customers worldwide.

As we continue our journey towards global recognition, SHREENATHJI STEEL remains steadfast in our pursuit of excellence. With a legacy built on innovation, craftsmanship, and unparalleled quality, we invite you to experience the enduring luxury of ENDULUX in every detail. Join us as we redefine the standards of architectural hardware and furniture fittings, making spaces more beautiful and functional one product at a time.

# **CASTOR WHEEL**

Our product line includes high-quality castor wheels available in two models: swivel and rigid. Both models are designed to support a load capacity of up to 500kg, making them perfect for a variety of applications. The swivel castor wheels offer 360-degree rotation for easy maneuverability, while the rigid castor wheels provide stable, linear movement. The Wheels material is Polypropylene Copolymer / Virgin Plastic.

These castor wheels are ideal for use in office furniture, such as chairs and desks, as well as in light industrial equipment like toolboxes, tables, bed, sofa and trolleys. They are also suitable for retail environments, including display units and rolling racks, ensuring smooth and efficient movement across different surfaces. Our castor wheels combine durability, reliability, and ease of use, making them an excellent choice for any application requiring mobility within the specified weight limit. Below Rates are belongs to SET OF 4 Pieces.
